TERMS AND CONDITIONS

1. General & Definitions. This Agreement is a legal agreement entered into between SE Canada Inc. (“**Service Experts**”) you and any Owner. “**Premises**” means the Installation Address in this Agreement; “**you**” and “**your**” means the Lessee or its tenants and the Owner(s) (if any); “**we**”, “**our**” and “**us**” means Service Experts and/or our authorized service providers; and The “**Useful Life**” ends when we determine in our reasonable discretion that it is no longer commercially reasonable to repair the Equipment having regard to the age of the Equipment, the cost of repair or other relevant factors and notice of such determination is given to you. Each Core Equipment Type in this Agreement (i.e., air conditioner, furnace and/or boiler) will have its own Useful Life. If we determine that less than all Core Equipment Types have reached the end of their Useful Lives, the monthly rental rate will be reduced by us and the list of Equipment will be modified to reflect that you will no longer be renting the applicable Core Equipment Type (and all necessary pipes and parts related to the applicable Core Equipment Type as determined by us) that has reached the end of its Useful Life.

2. Term of Rental. You agree to rent from us the Equipment from when we install the Equipment until this Agreement ends (as it relates to a particular piece of Core Equipment Type) at the end of the Useful Life of the applicable Core Equipment Type (but it will continue, in respect of the remaining Core Equipment Type(s) and related Equipment) unless terminated earlier by you or us (“**Term**”) (see Sections 7 and 10). After this Agreement is terminated, we will not be required to supply, service or maintain, and you will not be required to rent, any replacement equipment. If you want to change the Equipment or rent additional equipment, a new agreement will replace this Agreement and a new rental rate will be calculated. All outstanding obligations owned by you prior to the termination of this Agreement shall survive termination until fully satisfied, as determined by us.

3. Service Experts' Commitment. We agree: (i) to install the Equipment. All normal installation costs will be included within the monthly rental rate, except the cost of any permits or inspections and for any extraordinary installation costs incurred by us. We will make reasonable efforts to tell you in advance if there are any additional installation costs, but it may not always be possible for us to do so. You agree to pay all of these additional costs, and understand that we may terminate this Agreement if you do not pay them; (ii) to provide repair and maintenance on the Equipment during the Useful Life of the applicable Equipment with no service charges or part replacement charges except (a) as described in paragraph 4, (b) if you (or a third party not authorized by us) alter, modify, adjust, damage, service, repair, move or disconnect the Equipment or if repairs are necessary because of use for which the Equipment was not intended, (c) where venting, piping, wiring, ducting and/or electrical services require cleaning, repair or replacement, or (d) as otherwise excluded in this Section 3. Our 24-hour per day, 7-days-per-week emergency phone number is 1-866-397-3787; (iii) to, from time-to-time (which may be more or less frequently than annually), contact you to arrange a mutually agreeable time for us to attend at the Premises to inspect the state of maintenance and repair of the Equipment and to confirm compliance by you with your obligations in this Agreement; (iv) that you will own any related piping, venting, wiring or ducting we install on the Premises, unless it is expressly itemized and included within the Equipment you are renting. We are not required to remove these items after this Agreement ends and have no responsibility for them if any of the Equipment is removed. **Exclusions:** (A) Our commitment specifically does not cover any costs of diagnosis, service, repair, parts replacement or adjustment to the extent that cover: (i) Repairs needed as a result of (a) abuse, tampering, alterations or repairs by persons other than us; (b) accidental or deliberate damage, loss, theft, freezing weather conditions, subsidence, structural repairs, fire, lightning, explosion, earthquake, tornado, flood, storm, acts of war or other insurable risks; (c) lack of reasonable maintenance (e.g. pipe bursts due to cold weather or inadequate heating within the home or equipment failure due to lack of regular filter replacement); (ii) The thermostat is not at the proper setting; (iii) The pilot light has been extinguished by someone other than us; (iv) The household or building electrical fuse or breaker required for the Equipment is blown; (v) The Equipment has been turned off; (vi) Renovation related work; (vii) The costs of redecoration and restoration costs required as a result of any work performed in connection with this Agreement, including, but not limited to, wall coverings, drywall, plaster, wallpaper, paint, floor coverings, tile, cabinetry, counter tops, landscaping or repair of any structural or cosmetic defects. If it is necessary for us to dig on your property in connection with work performed in connection with this Agreement, we will fill any holes and leave the ground level or mounded, but we will not restore the original surface or construction, including upgrades or the cost of construction, carpentry, or other modifications made necessary by the Equipment; (viii) Loss or damage to property caused by the heating, cooling, appliance, electrical or plumbing or drains system breaking down (e.g. damage to furniture caused by water leaks); (ix) Service or repairs that are related to design or any modification to the Equipment, unless performed by us under this Agreement; (x) Electronic, computerized or energy management systems or devices; (xi) Providing for or closing access to covered items; (xii) Service, maintenance, repair, or replacement necessitated by any loss or damage resulting from any cause other than normal usage; (xiii) Loss or damage due to chemical or sedimentary build-up, misuse or abuse, unauthorized repair by others, failure to clean or maintain the Equipment, rust, corrosion, insect infestation, mould, mildew or bacterial manifestations, missing parts, structural change, fire, freezing, electrical failure or surge, water damage, lightning, mud, earthquake, tornado, soil movement, windstorms, hail, theft, negligence (except by us), intentional acts (except by us), not, accidents (except caused by us), pet or pest damage, acts of God, or failure due to excessive water pressure or any other perils are not considered loss or damage by normal use; (xiv) Preventative maintenance other than to the extent noted above; and (xv) Consumable items, including but not limited to filters and fuses; (B) If, after installation, building or other code violations are discovered before or during the diagnosis or repair of Equipment, we will not be required to repair or service such Equipment until the corrective work is completed at your expense. If additional costs are incurred to comply with law, we shall not be responsible for, and you shall pay that expense. We are not responsible for service or repair of Equipment when permits cannot be obtained and we will not pay any costs relating to permits; (C) Our commitment does not cover service involving hazardous or toxic materials, asbestos, lead or the disposal of refrigerants or contaminants; (D) If a thermostat included in the Equipment fails, we will provide a replacement thermostat of our choice. Zone thermostats/controls and energy management controls are not covered by our commitment; (E) We are not responsible for insufficient air distribution due to existing ductwork design or clogged duct work or for insufficient water flow due to existing or clogged piping or radiators. Costs of refrigerant recovery, vacuuming and refill are excluded from our commitment; (F) If the monthly rental rate includes a charge for duct cleaning performed by us, it is a one-time service and our commitment is limited to a 30-day limited satisfaction guarantee (from the date of the cleaning), where we will redo your duct cleaning.

4. Customer's Commitment; Billing and Payment. You agree that: (i) You will pay your charges billed under this Agreement when due; (ii) You agree to pay HST and any other taxes payable in connection with this Agreement; (iii) You will promptly inform us of any change in (a) your mailing address; and/or (b) if previously provided, bank account or credit card information you provided; (iv) your charges may be included on your utility bill or we may bill you for your charges directly or through our service provider. Acceptable methods of payment will be set out on the bill you receive. Should any payment be returned for non-sufficient funds (“NSF”), you agree to pay a NSF charge of \$25. A late payment charge will apply to all overdue amounts on your bill, including applicable federal and provincial taxes. The rate for late payment charges is 1.5% per month or 18% per year (for an effective rate of 19.56% per year). Your bill is due on the date indicated on the bill; (v) If you are billed directly by us or our service provider, unless otherwise specified by you, we will email your monthly bill to the email address provided above. In the event that no email address is provided by you or you notify us that you wish to receive your bill by mail, we will mail your bill to the Service Address or the Mailing Address, if a Mailing Address is provided by you. You may be subject to a paper bill charge if you wish to receive your bill by mail; (vi) If your charges are included on your Enbridge Gas Distribution (“EGD”) Bill, a late payment charge will apply to all overdue amounts on your EGD bill, including applicable federal and provincial taxes. The late payment charge will be calculated and applied as approved by the Ontario Energy Board (“OEB”). The current OEB-approved late payment rate is 1.5% per month or 18% per year (for an effective rate of 19.56% per year). Your EGD bill is due when you receive it, which is considered to be three days after the bill date. If you do not pay your bill in full by the late payment effective date on the first page of your EGD bill, a late payment charge equal to the late payment rate multiplied by a total of all unpaid charges will be added to your EGD bill; (vii) The current monthly rental charge is the amount set out on the first page of this Agreement. We may increase our rental rates on July 1 of each calendar year by a percentage up to the percentage increase to CPI plus 2%. For the purposes of this Agreement, “CPI” means the All-Items Consumer Price Index (not seasonally adjusted) for Ontario or the equivalent thereof, or any comparable successor index thereof, published by Statistics Canada in October in respect of the immediately preceding September to September period, or by any other equivalent or duly authorized department of the Government of Canada (for clarity, the Consumer Price Index in Canada is expressed in terms of 2002 = 100). We will notify you of any such rental rate increases in advance in bill inserts, by letter, by email or by any method permitted by law. You agree to pay HST and any other taxes payable in connection with this Agreement; (viii) You will provide us with timely access to the Equipment whenever required by us to perform our obligations or exercise our rights under this Agreement; (ix) You will use the Equipment safely and responsibly, and in particular you will: (a) ensure that no combustible, hazardous or flammable materials are used or stored in the same room as, or near, the Equipment; (b) ensure that the Equipment is not confined in a location where it is difficult to service or remove or where there is inadequate ventilation; (c) ensure that the filters, vents and openings are kept clear and clean and are otherwise kept well maintained by you; (d) provide us with access to the Equipment whenever reasonably required for purposes of inspection, maintenance, repair or removal and in connection therewith will authorize site personnel at your location to permit us access to the Premises; and (e) obtain our approval before you connect any add-on equipment, such as air handlers, humidifiers, storage tanks, air duct systems or hydronic baseboards to the Equipment. We are not responsible for the installation or maintenance of any add-on equipment, or for any damage caused by this add-on equipment or the Equipment if the damage occurred because of the add-on equipment. You will (i) notify us promptly if the Equipment breaks down or is damaged; (ii) not permit anyone but us to service, repair, modify, move or disconnect the Equipment; (iii) be responsible for any damage to, or loss of, the Equipment, even if caused by you or third parties, unless caused by us or is otherwise part of Service Experts’ commitment described above; (iv) be responsible for any damage to, or loss of, the Equipment if caused by fire, flood, accident or other insurable risks; and (v) maintain in good working order the ancillary piping, venting, wiring or ducting owned by you. You will not tamper with any plate(s), tag(s) or sticker(s) identifying the Equipment as owned by us. If you sell, lease or otherwise transfer the Premises, you will, in addition to your obligations otherwise set forth herein, advise us in advance and advise the transferee that the Equipment is rented pursuant to this Agreement. At the end of the Useful Life of any Equipment, you are not obligated to rent and we are not obligated to supply replacement Equipment therefor, unless we mutually agree at the time pursuant to a new agreement. If the Equipment is gas-fired, you are required, as the user of the Equipment, under law to ensure that it is maintained in a safe operating condition [Ontario regulation 212/01 Section 15]. In the event that a service or repair is required please call 1-866-397-3787. This Agreement is binding upon and will enure to your heirs, personal representatives, successors and permitted assigns. During the Term, you are responsible for any loss or damage to the Equipment from any cause, whether or not insured, until all of your obligations under the Agreement have been fulfilled.

5. Ownership of Equipment. During the Term, the Equipment remains the property of Service Experts or its assignee and although it may be affixed to the Premises, is not intended to become a fixture. You agree to assist in protecting our ownership interest by signing and providing any further documents we may reasonably require and you acknowledge that we may register notices of security or ownership as we deem appropriate, including on title to the Premises. You agree to keep the Equipment free of all liens, security interests, mortgages and other claims.

You may exercise your buy-out option by notifying us in writing or by calling 1-866-397-3787. If you tell us you want to buy the Equipment, we will calculate and tell you the purchase price. The purchase price can also be found on our website at www.serviceexperts.ca. The purchase price is based on, among other things, the unpaid cost of the Equipment and related installation, finance, service and maintenance costs. When you exercise your buy-out option, you accept the Equipment in “as-is” condition, subject to the balance of any transferable manufacturer’s warranty, and you assume responsibility for the Equipment and its repair and maintenance. You also agree to pay the buy-out price, plus any applicable taxes, when invoiced by us. Once we receive payment of the buy-out price, this Agreement will terminate and you will have no further obligation to pay rent and we will have no further obligation to you.
